RED JACKET MODEL TOWN.

Red Jacket boys claim to the honor of being the most orderly town in the upper peninsula. An investigation at the offices of the various justices of the peace indicates that there has not been a single arrest for an infraction of the village ordinances during the past three months. Although arrests have been made under the state laws, the residents seem to have a healthy respect for the village ordinances.

DEATH REMOVES OLD RESIDENTS

JOHN C. GLASSON DIES AT C. & H. HOSPITAL. PETER BRUNETTE PASSES. OTHER DEATHS.

John C. Glasson, 5580 Scott street, one of the best known residents of Calumet, passed away at the Calumet & Hecla hospital last evening about 6:30 o'clock, following an illness of about three years' duration. Mr. Glasson suffered from a complication of diseases and his condition was considered very grave, when an operation was decided upon last week, as a last resort. He failed to rally, however, and death was not unexpected.

The deceased was born in Cornwall, England, 58 years ago. He came to America when a young man, locating in Calumet in 1875 and residing here continuously up to the time of his death. Mr. Glasson was employed as a brakeman at the C. & H. engine house of the Calumet & Hecla for many years. He was one of the original members of the Calumet and Hecla band, being one of the best cornetists in this district. He remained with the Calumet & Hecla band until his health forced him to retire about three years ago. Early last year his health showed a slight improvement and Mr. Glasson organized a boys' brass band which was one of the features of the Calumet & Hecla miners' picnic last summer. He was formerly a member of the Calumet M. E. choir.

Besides his wife, Mr. Glasson leaves two brothers, James in S. Africa and Joseph in Australia, and one sister, Mrs. Esther Brunette of Cornwall. He was a member of Court Robin Hood, A. O. U. and of Calumet Tent, K. O. T. M. M. Both of these organizations will attend the funeral.

Services will be held on Wednesday afternoon from the Calumet Methodist church, in charge of Rev. M. H. Eldred of the Laurium M. E. Interment will be in Lake View cemetery.

Peter Brunette Passes.

An old pioneer in the person of Peter Brunette, of Rockland street, died at 2:19 this morning at the age of 73 years. He is survived by his wife and the following children, also one brother, Joseph, who resided with him, Joseph, of Phoenix, Edward and Frank, of this city, and John, of Butte. Next, Mrs. James John Elder, Horace Broutlette, of Calumet, Mrs. Nadeau, of Butte, Mont., and Mrs. John O'Leary, of Calumet, and Miss Julia, at home. The funeral will take place tomorrow morning, with services at St. Ann's French church, and interment in Lake View cemetery. Rev. Fr. Boisconault will officiate.

The late Mr. Brunette was born at Sorel, Canada. He came to Ontonagon in the early sixties, and moved to Calumet early in 1870. He had been a continuous resident of this city ever since. He entered the employ of the C. & H. Mining company soon after his arrival here, and remained in the employ of that company up to about two years ago, when he retired from active work. He was well known especially throughout the French community, and his death will be deeply regretted by numerous friends.

The late Mr. Brunette recently celebrated his golden wedding, an event which was largely attended by members of the family and friends.

John Elliott No More.

John Elliott, of Swedenborg, aged 64, died last evening, following a lengthy illness, at the family residence, Swedenborg. He came here about three years ago from Cornwall, Eng. He was a well known cricket umpire in the old country, and has several sons playing the game in Calumet. The cause of death was miners' complaint, contracted in Cornwall, Eng.

The surviving sons are Ernest and Alfred, of Calumet, James Henry of Cornwall, and Thomas of Australia. One daughter, Mrs. Thomas Twombly, of England, and an adopted daughter, Miss Ada, of Calumet, also survive. He was the father of the late John James Elliott, who was recently killed in the C. & H. mine. The funeral will take place tomorrow afternoon, with services at the Salvation Army hall, Adjutant Symmonds officiating, and interment in Lake View cemetery.

Mrs. Joseph James Dead.

Word was received in Calumet yesterday of the death at San Diego, Cal., of Mrs. Joseph James, wife of the well known former "pop" manufacturer, of this city.

this city. Mrs. James passed away at 10:30 p. m. Saturday.

She was aged 69, and left Calumet for San Diego two years ago last February. She had been in failing health for some time. Last fall she was taken from California to Rochester, Minn., where she underwent an operation at the Mayo Bros. hospital. She seemingly benefited from this treatment, but later a relapse set in, and her death ensued.

Besides her husband the late Mrs. James is survived by one son, Joseph, and one daughter, Mrs. J. K. Persons, both residents of San Diego, who were present at her bedside when she passed away. It is expected that interment will take place in San Diego.

The late Mrs. James was born and raised in Cornwall, but had been a resident of Calumet about forty years. The news of her demise will be received with regret locally, especially among the older residents.

Mrs. Gertrude Hosking Dead.

Mrs. Gertrude Hosking, aged 31, died yesterday morning at Tamarack hospital after a three weeks' illness. She is survived by her husband and five small children, the eldest of whom is only eleven years of age. Three sisters and one brother also survive. They are Mrs. William Dunn, North Kearsarge; Mrs. Carl Stecker, Hancock; Mrs. Florence Healey, Spokane, Wash.; one brother, Ray Williams, of South Kearsarge, and her father, John Williams, of Anaconda, who was at her bedside when she died. The deceased was well known locally, and her death is sincerely regretted. The funeral will take place Wednesday afternoon, with services at the Laurium M. E. church. Rev. M. H. DIAMOND MINE PROFITS.

The government authorities of Germany southwest Africa estimate that the revenue from the diamond industry will amount to \$2,432,500 in the budget year of 1912. This amount is mainly composed of the export duties and to a smaller extent the mine taxes. According to the Berliner Tagblatt, the estimates for this year are of special interest, as it had been reckoned that the export duties would be reduced or converted, but the budget again provides for the imposition of export duties of 33.1-3 per cent, which may be assumed as proof that a decisive alteration in the duties can not be counted on for the time being. Having regard to the fact that a number of diamond fields can not certainly be expected to furnish much production, the government authorities estimate the output of diamonds at 850,000 karats for this year, as compared with an estimate of 900,000 karats for 1911.
